Built around a curved shell

Steel structure. Insulated envelope. Continuous ACP finish.

LIVING CAPSULES
BY
LOOM CRAFTS

01 STRUCTURE

Hybrid light-gauge steel framing
with mild-steel load-bearing sections.
Integrated MS chassis forms the capsule base.

02 EXTERIOR SHELL

ACP wraps the external walls and roof,
following the capsule’s curved profile.
Thermal barriers and waterproofing membranes
protect the external envelope.

03 INSULATION & LINING

100 mm Rockwool insulation, 48 kg/m³,
in external walls and roof.
OSB sheathing with gypsum-finished
internal walls and ceilings.

A continuous exterior expression

The same ACP material flows across walls
and roof, framing the glazed front facade.

A complete living space

Furniture, electronic appliances, air conditioning and soft furnishings are included.

From selection to site

Five steps to your ready-to-use Living Capsule.

- 01

Select your capsule

Choose your model, room layout and 2 ft or 6 ft front deck.
- 02

Coordinate the site

Confirm placement, delivery access and utility connection points.
- 03

Approve the details

Finalise drawings, finishes, furniture, appliances and order scope.
- 04

Manufacture & fit out

Build and furnish your capsule in the factory to the approved specification.
- 05

Deliver, connect & use

Position the capsule on its own chassis and connect power, water and waste.

OWN CHASSIS. NO FOUNDATION REQUIRED.

Fully furnished with appliances and soft furnishings. Plug & use.

Let us shape your next space

Manufactured for resorts, farmhouses, glamping and private retreats.

Fully furnished. Own chassis. Ready to move in.
